Reg. No. 6179

Submitted to the Chief Secretary.

At present candidates sitting for the M.C.S. competitive examination are subjected to physical examination by a medical board. But those nominated to the grade of Assistant Commissioners are asked to produce merely an ordinary medical certificate; and in the case of those promoted from the subordinate ranks no fresh examination is prescribed, but reliance is placed on the certificates granted at the time of the candidate's entry into the service. In the interests of Public Service, it appears necessary that the latter two classes of appointees to higher executive posts should also be subjected to an examination by a Board of Medical Officers as in the case of candidates sitting for competitive examinations

WD A 1789—GPB—60,000—20-3-19—S.

Submitted to His Highness.

...

Under the existing rules for the recruitment of candidates to the Mysore Civil Service there is no provision for examination by a Medical Board in respect of the physical fitness of candidates nominated otherwise than by competitive examination and of those promoted from the subordinate rank of the service. In order to ensure that such persons are possessed of a good physique and constitution and are especially fitted for the active duties of an executive officer, it appears necessary that they should be subjected to an examination by a Board of Medical Officers in the same way as candidates for competitive examination. A draft order prescribing such an examination and making a suitable addition to the Mysore Civil Service Rules is submitted for the gracious approval of His Highness.
